

Make a Difference by Hosting a **Donation Drive**

**Help us
Serve 300
Families
Holiday Giving
2025**

This event is a cornerstone of our yearly fundraising efforts. Join us in making it a success! We're hosting monthly donation drives to make sure we have enough items. Your partnership through hosting a donation drive and becoming a donation drop-off location site will directly support our programs and initiatives, which will allow us to continue our vital work in the community.

How it works

- 1.** Meet with staff to establish dates for the drive, items needed, and a time for us to pick up donations.
- 2.** We will send a flyer and sign for you to print and share.
- 3.** Set up a display and collection box with the sign.
- 4.** Share and collect donations!
